# Funtown Splashtown USA 2019 Food Allergy Guide

Centerplate, LLC is the sole food service provider at Funtown Splashtown USA, and has contributed to the Food Allergy Guide to provide the necessary information to our guests. Centerplate makes every attempt to keep the information contained in the guide as current as possible. There are many factors that can impact the accuracy including but not limited to temporary product substitutions and/or cross-contamination (products are stored, shipped and transferred alongside items that may contain allergens).

**It is the responsibility of the guest to inform the food service team member of all food allergies at the time of ordering.**

Funtown Splashtown USA, Inc., and Centerplate, LLC are pleased to make this guide available for all guests.
